- Student Monitors to be appointed for each classroom for lights / fans – badges to be struck
- Staff to continue vigilance with power conservation
- Purchase of compost tumblers / bins for excess waste
- Continue / complete indigenous garden, connection of vegie garden with tuckshop if operating
- Each year level will be responsible for a designated clean up area as in previous years. A specific time each day will be set aside for clean up.
- Continuation of existing gardens/waste management programs - with links to curriculum
- Smart shopper – Logan City Council (Nude foods policy-reducing rubbish) – children teach parents
- Smart tip – Year 5’s
- Parent education regarding nude foods through class & school newsletters/blogs; information evenings
- Munch and crunch – all classes
- Blue Earth – Staff Leaders to co-ordinate activities
- CTJ focus on Inquiry Learning (English, Maths, Science)
- Implementation of Australian Curriculum in Maths, History, English and Science
- Assessment and Reporting – development of interim report reflecting Australian Curriculum
- Focus of Staff Professional Development – Religious Education; ICLT; Maths and History
- Staff to take leadership responsibilities – reporting back on PD sessions
- Development & implementation of Vision for Learning – completion of Vision for Learning for each year level. To be added to Year Level policies & practices
- Focus on numeracy- Numeracy Project – Sherri & Matt
- Library focus on Information Literacy
- Maintaining a reliable network of computers and developing a five year plan for technology at St Joseph’s

- Installation of data projectors and screens through the school
- Mathletics 2 – 7 : Intrepica P - 7
- Numeracy Benchmarking & support (Sue Hall)
- Continue to embed ICLT’s in all curriculum
**Broad Strategic Goal: Religious and Evangelising Mission (priority1)**

St Joseph’s Beenleigh will be a place where teaching and learning in religious education is grounded in the spiritual and pastoral formation of staff and students in partnership with the parish community within the context of the evangelising mission of Catholic Education.

---

**Goals for 2007 - 2011**

We intend to:

- provide opportunities for spiritual formation of staff, students and parents
- further develop the quality and effectiveness of learning and teaching in classroom religious education
- work collaboratively with parish priest and community to strengthen school-parish partnership in achieving a common mission
- recognize and appreciate the differing faith backgrounds of the students in an inclusive school community

---
