

ST JOSEPH'S TOBRUK MEMORIAL SCHOOL RELIGIOUS EDUCATION PROGRAM UNIT OVERVIEW

Year Level Description:

In Prep, students learn about some Old Testament and New Testament stories that tell of a God of love, the creator of all, the goodness of God's creation, God's special relationship with all of creation and God's plan that people help each other to live safely and happily together, for the good of all. Students listen to, read and view stories of and about Jesus in the Gospels that tell of Jesus' life as a Jew, his mother Mary, his friends and family; of Jesus praying and teaching others to pray; of his teachings about love, compassion and forgiveness that challenged people about the way they were living; and of his suffering, death and resurrection. They learn that Christians believe God created people with the freedom to choose between good and bad, right and wrong. They explore examples of times, from familiar texts and their personal experience, when people make these choices. Students understand that prayer helps believers follow the teachings of Jesus; to live according to God's plan. They learn about ways in which believers pray, either alone or with others, including the Sign of the Cross and Amen. They observe ways in which believers pray together during special celebrations and rituals that mark important times in the life of believers and in the Church year. They learn about the Church building as a sacred place for believers and the Bible as a sacred book for believers.

Achievement Standard:

Students communicate clearly their ideas, feelings and thoughts about God, the goodness of God's creation and God's plan that people help each other to live safely and happily together, for the good of all. They identify connections between some Old Testament stories and their personal experience, including the experience of the goodness of creation. They listen and respond to stories of and about Jesus in the Gospels that tell of Jesus' life as a Jew, his mother Mary, his friends and family; of Jesus praying and teaching others to pray; and of his suffering, death and resurrection. They recognise Jesus' teachings about love, compassion and forgiveness that challenged people about the way they were living. They relate examples of people having the freedom to choose between good and bad, right and wrong. Students understand that prayer helps believers to follow the teachings of Jesus; to live according to God's plan. They recognise ways in which believers pray either alone or with others, using word, music, action, silence, images, symbols and nature, and participate with respect in a variety of these prayer experiences, including meditative prayer, the Sign of the Cross, and Amen. They describe ways in which believers pray together during special celebrations and rituals that mark important times in the life of believers and in the Church year.

ST JOSEPH'S TOBRUK MEMORIAL SCHOOL RELIGIOUS EDUCATION PROGRAM UNIT OVERVIEW

Year Level Description:

In Year 1, students explore the Christian teaching that all people are created in God's own image, with dignity and natural rights. They learn about living in accordance with God's plan for all creation: living safely and happily in community and in loving relationship with God, with a responsibility to care for all creation and using God's gift of freedom to make choices responsibly. They engage with a variety of Old Testament texts to learn about God's presence in the lives of individuals and communities and make connections to their own experiences. They explore the words, actions and symbols used in the Sacraments of Baptism and Eucharist to communicate God's presence and action. They learn about the different roles in the local parish community. Students learn about the nature of Jesus' mission and ministry. They explore aspects of Jewish daily life at the time of Jesus. They listen to, view and read accounts from different Gospels of key events, places and characters in the life of Jesus and explore similarities and differences in these accounts. They explore the many ways in which Mary, Mother of Jesus, is honoured by Christians past and present and develop their understanding of the Hail Mary, a Catholic prayer honouring Mary. Students understand that prayer was an important part of Jesus' life and is important in the lives of believers. They continue to learn about ways in which believers pray, either alone or with others.

Achievement Standard:

Students make connections to personal experience when explaining ways of living in accordance with God's plan for creation: that people live safely and happily in community and in loving relationship with God, with a responsibility to respect the dignity and natural rights of all people, to care for all creation and to responsibly use God's gift of the freedom to choose. They relate stories from some Old Testament texts that describe God's presence in the lives of individuals and communities. They identify words, actions and symbols used in the Sacraments of Baptism and Eucharist to communicate God's presence and action. Students identify the nature of Jesus' mission and ministry, as well as some similarities and differences between Gospel accounts of significant events, places and characters in the life of Jesus. They describe some aspects of Jewish daily life at the time of Jesus. They recognise some ways in which believers past and present honour Mary, Mother of Jesus, including praying the Hail Mary. They recognise the significance of prayer in Jesus' life and in the life of believers and participate with respect in a variety of personal and communal prayer experiences, including meditative prayer, Grace and the Hail Mary.

ST JOSEPH'S TOBRUK MEMORIAL SCHOOL RELIGIOUS EDUCATION PROGRAM UNIT OVERVIEW

Year Level Description:

In Year 2, students learn about aspects of God's nature and God's relationship with people, as they engage with a variety of New Testament texts depicting the teachings and actions of Jesus and Old Testament texts that describe God's relationship with the Jewish people. They explore contextual information about the first century Mediterranean world, to better appreciate the life and times of Jesus. They learn about Jesus' mission and ministry and explore ways in which Jesus' teachings and actions continue to guide the life of the Church community today. They explore, recognise and appreciate the history of a parish community as it is revealed in many ways. Students learn about the sacredness of all creation, especially human life; the call to be co-creators and stewards of God's creation; and the responsibility to pursue peace and justice out of respect for human life and all creation. They develop their understanding of the loving relationship God unconditionally offers to people; and their understanding of sin, as evident in the free choices that harm the individual and their loving relationships with God, with others and with all creation. They explore ways in which believers seek to heal these relationships through reconciliation and prayer. They investigate ways in which believers celebrate reconciliation with God and with others in the Sacrament of Penance. Students examine ways in which prayer and the wisdom of the saints help believers to nurture their loving relationships with God, with others and with all creation. They develop their understanding of prayer in the Christian tradition through an exploration of prayer for forgiveness (acts of contrition and Penitential Act) and meditative prayer.

Achievement Standard:

Students analyse some teachings and actions of Jesus depicted in New Testament texts that reveal aspects of God's nature. They discuss their ideas about God's relationship with the Jewish people as described in some Old Testament stories. Students pose questions about the life and times of Jesus and use sources provided to answer these questions. They make connections between Jesus' teachings and actions and the way members of the Church community live today. Students recognise the sacredness of God and all creation, especially human life. They identify ways in which human beings respond to the call to be co-creators and stewards of God's creation. Drawing on their own experiences, they suggest ways to pursue peace and justice out of respect for human life and all creation. They recognise choices that harm an individual and their loving relationships with God, with others and with all creation. They explain ways in which believers seek to heal these relationships through reconciliation and how they celebrate reconciliation in the Sacrament of Penance. They recognise that prayer and the wisdom of the saints help the believer to nurture their relationship with God, with others and with all creation. They participate with respect in a variety of personal and communal prayer experiences, including meditative prayer and prayers for forgiveness.

ST JOSEPH'S TOBRUK MEMORIAL SCHOOL RELIGIOUS EDUCATION PROGRAM UNIT OVERVIEW

Year Level Description:

In Year 3, students develop their understanding of God's relationship with people as individuals and as community, and the presence and action of God in daily life experiences, as they engage with a variety of texts (including key stories from the Torah, images of God used in Old Testament texts, and the wisdom of prayers attributed to the saints). They develop an appreciation of the order and harmony of creation. They learn about the cultural contexts in which the Gospels were written and the text types used in the New Testament to develop their understanding of the life and teaching of Jesus and the Christian belief that Jesus is the Messiah. Students develop an appreciation of the Scriptures as a basis for Christian moral living, including respect for basic human rights and acknowledgement of responsibilities, in particular to the poor and disadvantaged. They develop an appreciation of the collaboration of clergy, religious and laity as they learn about significant features of a parish and diocese, past and present. They learn about the significance of the Sacraments of Initiation (Baptism, Confirmation, Eucharist) for the Church community. They investigate prayers of thanksgiving and prayers of praise, including psalms and doxologies, to facilitate an appreciation of the significance of these forms of prayer for Christians.

Achievement Standard:

Students select and use information, ideas and events in texts (including key stories from the Torah; images of God used by the human authors of Old Testament scriptures; and prayers attributed to the Saints) to express their ideas about God's relationship with people as individuals and communities; God's presence and action in daily life experiences; and the order and harmony in God's creation. They locate information about the cultural contexts in which the Gospels were written and the text types used by the human authors of New Testament texts. They use this information about the texts to discuss ideas about the life and teaching of Jesus, including the Christian belief that Jesus is the Messiah. Students explain how the Scriptures provide a foundation for living a moral life, including respect for basic human rights and acknowledgement of responsibilities, in particular to the poor and disadvantaged. They identify prayers of thanksgiving and prayers of praise, including Glory to the Father (Glory Be) and demonstrate understanding of the significance of these forms of prayer for Christians. They explain ways in which the Sacraments of Initiation (Baptism, Confirmation and Eucharist) welcome and strengthen members of the Church community. They describe significant people, events and features of a parish and diocese, past and present, including the collaboration of clergy, religious and laity. They participate respectfully in a variety of prayer experiences, including meditative prayer, prayers of thanksgiving and prayers of praise.

ST JOSEPH'S TOBRUK MEMORIAL SCHOOL RELIGIOUS EDUCATION PROGRAM UNIT OVERVIEW

YEAR FOUR

Year Level Description:

In Year 4, students develop their understanding of God's Word in Scripture as they use the Bible's referencing system to locate books, people, places and things in the Bible and engage with a variety of books and text types in the Old Testament and New Testament. They listen to, read, view and interpret Scriptural passages that express God as Father, as Son and as Holy Spirit, to learn about the Christian belief that God, as Trinity, is relational in nature. Students begin to appreciate the significance of community for Christians: of living in loving relationship with God, others and all of creation. They develop their understanding of community through an exploration of different texts, including the Decalogue and the writings of St Paul, and the experiences of different communities, including Jewish communities in first century Palestine, early Church communities in Australia (c.1788 CE - c.1850 CE) and contemporary parishes and dioceses. They examine how free choices result in actions that affect the individual and their community. They broaden their understanding of the significance of the Sacraments for Church communities through an exploration of the Sacraments of Healing, including Anointing of the Sick and Penance. They examine prayers of blessing, petition and intercession to facilitate an appreciation of the significance of these forms of prayer for Christian communities.

Achievement Standard:

By the end of Year 4, students use the Bible's referencing system to locate books, people, places and things in the Bible. They identify a variety of books and text types in the Old Testament and New Testament and explain how a reader uses this knowledge to better understand God's Word. They recognise the Christian belief that God, as Trinity, is relational in nature by identifying and explaining Scriptural passages that express God as Father, Son and Holy Spirit. Students explain the significance of community for Christians. They connect ideas about living in community from different texts (including the Decalogue and the wisdom of St Paul) and from the experiences of different communities (including Jewish communities in first century Palestine, early Church communities in Australia (c.1788 CE – c.1850 CE) and contemporary Church communities). They explain how free choices result in actions that affect the individual and their community. They describe practices and characteristics of contemporary parishes and dioceses (including the celebration of Sacraments Anointing of the Sick and Penance) and explain how these are modelled on the mission and ministry of Jesus. They use an appropriate structure to create prayers of blessing, petition and intercession, and demonstrate understanding of the significance of these forms of prayer for Christian communities. They participate respectfully in a variety of prayer experiences, including meditative prayer, prayers of blessing, petition and intercession.

ST JOSEPH'S TOBRUK MEMORIAL SCHOOL RELIGIOUS EDUCATION PROGRAM UNIT OVERVIEW

Year Level Description: In Year 5, students begin to appreciate the significance of community for sharing and strengthening the faith of believers, past and present, including the Church in the Australian colonies (c.1850 CE - c.1900 CE). Using a range of Biblical tools, they begin to see how the Gospel writers shaped their Gospels for particular communities. They learn about the action of the Holy Spirit in the lives of believers as they engage with a variety of texts, including Scriptural references to the Holy Spirit and the Catholic Rite of Confirmation. They develop their understanding of Christian charity and informed moral choice through an exploration of the experiences of individuals and communities, past and present. They broaden their appreciation of the significance of personal and communal prayer and worship (including the Eucharist, the Psalms, Sabbath rituals and prayers); and the wisdom of the Saints (including St Mary of the Cross MacKillop) for communities of believers. They learn about the significance of Marian prayers (including the Hail Mary, the Rosary and the Litany of Mary of Nazareth) in which believers praise God and entrust cares and petitions to Mary as mother of Jesus and mother of the Church.

Achievement Standard: Students identify many ways in which faith is shared and strengthened in communities of believers, past and present. They analyse information from a variety of texts, including Scriptural references to the Holy Spirit and the words, symbols and actions of the Catholic Rite of Confirmation, to explain the action of the Holy Spirit in the lives of believers. They use features of Gospel texts to show how the Gospel writers shaped their Gospels for particular communities. They describe the significance of personal and communal prayer and worship (including the Eucharist, the Psalms, Sabbath rituals and prayers) and the wisdom of the saints, including St Mary of the Cross MacKillop, for communities of believers. They describe ways in which believers live according to Jesus' new commandment of charity (love); and make and act upon informed moral choices. They locate and record information about the contribution of pioneering Catholics in Australia (c.1850 CE – c.1900 CE) to the preservation of faith and the shaping of particular communities, including Indigenous communities. They examine Mary's role as mother of Jesus and mother of the Church. They analyse the elements and features of some Marian prayers (including the Hail Mary, the Rosary and the Litany of the Mary of Nazareth) to describe the role of Marian prayer in the lives of believers past and present. They participate respectfully in a variety of personal and communal prayer experiences, including Marian prayers and meditative prayer.

ST JOSEPH'S TOBRUK MEMORIAL SCHOOL RELIGIOUS EDUCATION PROGRAM UNIT OVERVIEW

Year Level Description:

In Year 6, students are introduced to the Christian understanding of faith and the term 'communion of saints'. They develop their understanding of the many ways in which faith is lived out and celebrated in the lives of believers past and present. They learn about the contexts and key messages of some Old Testament prophets and the contribution of some key people (laity, religious and clergy) to the shaping of the Church in Australia (c. 1900 CE to present). They understand the significance of Jesus' New Law for the way believers live their faith, including an exploration of the spiritual and corporal works of mercy. They develop their understanding of the role of celebrations in the faith life of believers, including the commemoration of High Holy Days by Jewish believers and the Church's liturgical celebrations (including the Eucharist). They develop their understanding of prayer in the Christian tradition through an exploration of the Our Father, The Examen, and meditative prayer practices including prayer journaling. They are introduced to the Church teaching that the Holy Spirit guided the formation of the New Testament. Using a range of Biblical tools, they engage with a variety of Scriptural texts that describe Jesus' relationship with God the Father and with humanity and proclaim Jesus as fulfilling all of God's promises in the Old Testament.

Achievement Standard:

Students analyse information from a variety of texts, including New Testament texts and the wisdom of Australian Catholic Christians, to explain the action of the Holy Spirit in the lives of believers. They select and use evidence from Scriptural texts to show how these texts describe Jesus' relationship with God the Father and with humanity, including the proclamation of Jesus as fulfilling God's promises in the Old Testament. Students identify and describe many ways in which faith is lived out in the lives of believers past and present, including Catholics in a developing Australian nation (c. 1900 CE to present). They analyse the key messages and contexts of some Old Testament prophets. They explain the significance of Jesus' New Law for the way believers live their faith and examine the spiritual and corporal works of mercy. They identify and describe many ways in which faith is celebrated in the lives of believers, past and present, including the commemoration of High Holy Days by Jewish believers; the Church's liturgical year and the celebration of Eucharist. They demonstrate an understanding of the term 'communion of saints'. They explain the significance of personal and communal prayer, including the Our Father and The Examen, and the use of spiritual exercises, including reflective prayer journaling and praying with the icons of the saints, for the spiritual life of believers. They participate respectfully in a variety of these personal and communal prayer experience and spiritual exercises.
