Stay Connected: Introducing BCE Connect and the Parent Portal

Dear Parents/Guardians,

Welcome to St Joseph's Tobruk Memorial School! We are excited to have you and your child join our school community.

Our commitment is to make it easy for you to stay connected and involved in your child's education, so we want to introduce you to an essential tool: **BCE Connect**.

BCE Connect

BCE Connect is your go-to for all things school-related. It's a mobile app that is designed to keep you connected with our school community and ensure you have the latest updates at your fingertips.

With **BCE Connect**, you can:

- Receive real-time notifications about important school updates.
- Access the school calendar for upcoming events and key dates.
- View the school's newsletters and important documents.
- Easily report student absences.

Ready to get started? You can download the BCE Connect app from the App Store or Google Play using the links below:

Accessing BCE Connect? To set up your BCE Connect access for the first time, please follow the steps outlined in the [New User Guide](#), which walks you through everything you need to get started. If you need assistance setting up your BCE Connect account, please contact our school office and we'll be happy to help you get started.

Once your child's enrolment is accepted, access to BCE Connect is granted in mid-January. This gives you time to explore the platform and get comfortable with its features before the start of Term 1.

We're here to help! For a complete guide to getting started, answers to common questions, and troubleshooting support, please visit our [Parent Engagement BCE Connect](#) page.

Thank you, and we look forward to a fantastic and engaging school year ahead!

Warm regards,

Kevin Billion
